

In this episode:

What is Science: Is Creationism True

Science Or Pseudoscience?

SUMMARY:

In this episode of *Let's Talk Creation* Todd and Paul seek to define science and answer whether creationism is science. What separates science from non-science? Does religion have a role in science? How should religion and science interact? Is creationism science? To find out listen to this episode of the science podcast that's just for you!
