## **Why Doesn't the Earth Look Young And Other Arguments Anti-Creationists Shouldn't Use**

### SUMMARY:

If the earth is young, why does it look old? Can creationists be “real” scientists? Why don't creationists publish in mainstream journals? These are common arguments used by anti-creationists which shouldn't be used if they want to make a good case against creationism. Join Todd and Paul as they answer these common anti-creationist arguments and explain why they fall flat on the latest episode of the science podcast just for you
